I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiations for the procurement of Lincoln County Multi-Jurisdictional Hazard Mitigation Plan Update. The award shall be made to the responsible offeror whose proposal is most advantageous to the Village of Ruidoso (Village), taking into consideration the evaluation factors set forth in this RFP.

B. BACKGROUND INFORMATION

Per section 1.1.2 Update Requirements of the Lincoln County Multi-Jurisdictional Hazard Mitigation Plan (HMP), “DMA 2000 requires that existing plans be updated every five years, with each plan cycle requiring a complete review, revision, and re-approval of the plan at both the state and FEMA level.

Lincoln County, the incorporated communities of Village of Ruidoso, City of Ruidoso Downs, Town of Carrizozo, Village of Capitan, and Village of Corona are all currently covered under a FEMA approved multi- jurisdictional hazard mitigation plan”.

Per this requirement, the Village of Ruidoso, and all partnering municipalities (as listed above) are requesting proposals from professional consultants to assist the Governing bodies, with a complete review, revision, and update of the existing HMP. The following information contained in this RFP will describe the project scope of work (SOW), requirements, requests, and scoring system of which to follow. All general requirements of the Lincoln County Multi-Jurisdictional Hazard Mitigation Plan (HMP) will be found in Lincoln County 2018 HMP, section 1.1 DMA 2000 Requirements. Interested parties/consultants should familiarize themselves and/or agency, with all contained information.

As a general overview, the goal of an HMP document, is to address all of the natural hazards within each included governing body and their correlating jurisdictions. A hazard identification, risk assessment, vulnerability analysis, mitigation strategy, maintenance plan and public involvement strategy were all incorporated into the build of the final HMP product. Including but not limited to”

1. What hazards does the Village of Ruidoso and partners currently face?
2. What are the vulnerabilities in relation to these hazards?
3. What mitigation actions are recommended to alleviate effects from those hazards?
4. Is there a strategy for implementing those mitigation activities? What are the mitigation priorities?

Procurement through an RFP will allow the Village to select a professional consultant based on qualifications that are most suitable to the needs of the Village.

C. SCOPE OF PROCUREMENT

The Village is conducting a single-award RFP for Lincoln County Multi-Jurisdictional Hazard Mitigation Plan Update. It is anticipated that the award under this RFP will result in a Professional Services Contract for the project duration.

 - a. Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal.
 - b. Confidential data is restricted to:
 - 1. confidential financial information concerning the Offeror's organization,
 - 2. and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, NMSA 1978 § 57-3A-1 to 57-3A-7.

The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.

9. No Obligation

This RFP in no manner obligates the Village to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

10. Termination

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the Village determines such action to be in the best interest of the Village.

11. Sufficient Appropriation

The contract between the Village and an Consultant will follow the format specified by the Village and contain the terms and conditions set forth in the Sample Contract Appendix C. However, the Village reserves the right to negotiate provisions in addition to those contained in this RFP (Sample Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Village discourages exceptions from the contract terms and conditions as set forth in the RFP Sample Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Village (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Sample Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Village may or may not accept the alternative language.

General references to the Offeror's terms and conditions or attempts at complete substitutions of the Sample Contract are not acceptable to the Village and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Village. Please see Section II.C.15 for requirements.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Village and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a responsive offer as defined in NMSA 1978, § 13-1-83 and 13-1-85.

19. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

20. Change in Consultant Representatives

The Village reserves the right to require a change in Consultant representatives if the assigned representative(s) is (are) not, in the opinion of the Village, adequately meeting the needs of the Village.

21. Notice of Penalties

The Procurement Code, NMSA 1978, § 13-1-28 through 13-1-199, imposes civil, misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

Throughout the duration of this procurement process and contract term, Offerors and Consultants must secure from the Village written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or Village contracts deriving from this procurement. 24. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the Village.

25. Confidentiality

Any confidential information provided to, or developed by, the Consultant in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the Consultant without the prior written approval of the Village.

C. Consultant's representations and warranties in paragraphs A and B of this Clause are material representations of fact upon which the Procuring Agency relied when this Agreement was entered into by the parties. Consultant shall provide immediate written notice to the Procuring Agency if, at any time during the term of this Agreement, Consultant learns that Consultant's representations and warranties in paragraphs A and B of this Clause were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Consultant's representations and warranties in paragraphs A and B of this Clause were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the Procuring Agency and notwithstanding anything in the Agreement to the contrary, the Procuring Agency may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this Agreement.

If the Procuring Agency proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Consultant shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in the Terminations Clause of this Agreement, or to agree to the reduced funding.

10. Merger.

This Agreement incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, Agreements and understandings have been merged into this written Agreement. No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

11. Penalties for violation of law.

The Procurement Code, NMSA 1978 §§ 13-1-28 through 13-1-199, imposes civil and criminal penalties for violation of the statute. In addition, the New Mexico criminal statutes impose felony penalties for illegal acts, including bribes, gratuities and kickbacks.

12. Equal Opportunity Compliance.

The Consultant agrees to abide by all federal and state laws and rules and regulations, and executive orders of the Governor of the State of New Mexico, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Consultant assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Agreement. If Consultant is found not to be in compliance with these requirements during the life of this Agreement, Consultant agrees to take appropriate steps to correct these deficiencies.

13. Workers Compensation.

The Consultant agrees to comply with state laws and rules applicable to workers compensation benefits for its employees. If the Consultant fails to comply with the Workers Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the Procuring Agency.

14. Applicable Law.

The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a Lincoln County court of competent

jurisdiction in accordance with NMSA 1978, § 38-3-1 (G). By execution of this Agreement, Consultant acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

The records shall be subject to inspection by the Procuring Agency, the Department of Finance and Administration and the State Auditor. The Procuring Agency shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the Procuring Agency to recover excessive or illegal payments

16. Invalid Term or Condition.

17. Enforcement of Agreement.

A party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

18. Non-Collusion.

In signing this Agreement, the Consultant certifies the Consultant has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the Purchasing Agency.

19. Succession.

Agency may also seek all other remedies under the terms of this Agreement and under law or equity.

22. Equitable Remedies.

Consultant acknowledges that its failure to comply with any provision of this Agreement will cause the Procuring Agency irrevocable harm and that a remedy at law for such a failure would be an inadequate remedy for the Procuring Agency, and the Consultant consents to the Procuring Agency's obtaining from a court of competent jurisdiction, specific performance, or injunction, or any other equitable relief in order to enforce such compliance. Procuring Agency's rights to obtain equitable relief pursuant to this Agreement shall be in addition to, and not in lieu of, any other remedy that Procuring Agency may have under applicable law, including, but not limited to, monetary damages.

B. Consultant agrees to maintain a record of the number of employees who have (a) accepted health insurance; (b) declined health insurance due to other health insurance coverage already in place; or (c) declined health insurance for other reasons. Should Consultant not meet the size requirement for reporting at contract award but subsequently grows such that they meet or exceed the size requirement for reporting, Consultant agrees to provide the required report within ninety (90) days of meeting or exceeding the size requirement. That submittal date shall serve as the basis for submittals required thereafter. Consultant also agrees to levy this requirement on any Sub-Consultant(s) performing more than 10% of the dollar value of this Agreement if said Sub-

Consultant(s) meets, or grows to meet, the stated employee size thresholds during the term of the Agreement. Consultant further agrees that, should one or more Sub-Consultant not meet the size requirement for reporting at contract award but subsequently grows such that they meet or exceed the size requirement for reporting, Consultant will submit the required report, for each such Sub-Consultant, within ninety (90 days) of that Sub-Consultant meeting or exceeding the size requirement. Consultant shall submit the required form(s) to the Village of Ruidoso Purchasing Department, and other departments as may be determined, on behalf of the applicable Sub-Consultant(s) in accordance with the schedule contained in this Clause. Consultant acknowledges that this Sub-Consultant requirement applies even though Consultant itself may not meet the size requirement for reporting and be required to report itself.

Notwithstanding the foregoing, if this Agreement was procured pursuant to a solicitation, and if Consultant has already submitted the required report accompanying their response to such solicitation, the report does not need to be re-submitted with this Agreement.

25. Indemnification.

The Consultant shall defend, indemnify and hold harmless the Procuring Agency from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Agreement, caused by the negligent act or failure to act of the Consultant, its officers, employees, servants, Sub-Consultants, or agents resulting in injury or damage to persons or property during the time when the Consultant or any officer, agent, employee, servant or Sub-Consultant thereof has performed or is performing services pursuant to this Agreement. In the event that any action, suit or proceeding related to the services performed by the Consultant or any officer, agent, employee, servant or Sub-Consultant under this Agreement is brought against the Consultant, the Consultant shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the Procuring Agency by certified mail.

The Village reserves the right to cancel all or any part of any orders placed under this Agreement without cost to the Village, if the Consultant fails to meet the provisions of this Agreement and, except as otherwise provided herein, to hold the Consultant liable for any excess cost occasioned by the Village due to the Consultant's default. The Consultant shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Consultant; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of Sub-Consultants due to any of the above, unless the Village shall determine that the supplies or services to be furnished by the Sub-Consultant were obtainable from other sources in sufficient time to permit the Consultant to meet the required delivery scheduled. The rights and remedies of the Village provided in this Clause shall not be exclusive and are in addition to any other rights now being provided by law or under this Agreement.

27. Assignment.

The Consultant shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the Procuring Agency.

28. Subcontracting.

The Consultant shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the Procuring Agency. No such subcontract shall relieve the primary Consultant from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the Procuring Agency.

29. Inspection of Plant.

The Procuring Agency that is a party to this Agreement may inspect, at any reasonable time during Consultant's regular business hours and upon prior written notice, the Consultant's plant or place of business, or any Sub-Consultant's plant or place of business, which is related to the performance of this Agreement.

30. Commercial Warranty.

Any Confidential Information provided to the Consultant by the Procuring Agency or, developed by the Consultant based on information provided by the Procuring Agency in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Consultant without the prior written approval of the Procuring Agency. The Procuring Agency, in its sole discretion, may approve additional time beyond the ten (10) business days for replacement of personnel. The Consultant shall include status reports of its efforts and progress in finding replacements and the effect of the absence of the personnel on the progress of the Project. The Consultant shall also make interim arrangements to assure that the Project progress is not affected by the loss of personnel. The Procuring Agency reserves the right to require a change in Consultant's personnel if the assigned personnel are not, in the sole opinion of the Procuring Agency, meeting the Procuring Agency's expectations.

35. Incorporation by Reference and Precedence.

If this Agreement has been procured pursuant to a request for proposals, this Agreement is derived from (1) the request for proposal, (including any written clarifications to the request for proposals and any agency response to questions); (2) the Consultant's best and final offer; and (3) the Consultant's response to the request for proposals.

E. If any part of the services does not conform with the requirements of this Agreement, the Procuring Agency may require the Consultant to re-perform the services in conformity with the requirements of this Agreement at no increase in Agreement amount. When the defects in services cannot be corrected by re-performance, the Procuring Agency may:
