## **8. Disclosure of Proposal Contents**

A. Proposals will be kept confidential until negotiations and the award are completed by the Village. At that time, all proposals and documents pertaining to the proposals will be open to the public, except for material that is clearly marked proprietary or confidential. The Procurement Manager will not disclose or make public any pages of a proposal on which the potential Offeror has stamped or imprinted "proprietary" or "confidential" subject to the following requirements:

- a. Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal.
- b. Confidential data is restricted to:
  1. confidential financial information concerning the Offeror's organization,
  2. and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, NMSA 1978 § 57-3A-1 to 57-3A-7.
  3. PLEASE NOTE: The price of products offered, or the cost of services proposed **shall not be designated** as proprietary or confidential information.

B. If a request is received for disclosure of data for which an Offeror has made a written request for confidentiality, the Village shall examine the Offeror's request and make a written determination that specifies which portions of the proposal should be disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.

## **9. No Obligation**

This RFP in no manner obligates the Village to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

## **10. Termination**

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the Village determines such action to be in the best interest of the Village.

## **11. Sufficient Appropriation**

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the Consultant. The Village's decision as to whether sufficient appropriations and authorizations are available will be accepted by the Consultant as final.

## 12. Legal Review

The Village requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager before the proposal due date as indicated in Section II.A. Sequence of Events.

## 13. Governing Law

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

## 14. Basis for Proposal

Only information supplied, in writing, by the Village through the Procurement Manager or in this RFP should be used as the basis for the preparation of Offeror proposals.

## 15. Contract Terms and Conditions

The contract between the Village and Consultant will follow the format specified by the Village and contain the terms and conditions set forth in the Draft Contract for Good and Services (APPENDIX A). However, the Village reserves the right to negotiate provisions in addition to those contained in this RFP and Draft Agreement with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Village discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Professional Services Agreement or Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Village (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract for Good and Services (APPENDIX A) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific alternative language**. The Village may or may not accept the alternative language. Any response to the contract terms and conditions shall be submitted on Tab E. See Section III.C.

General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract for Good and Services are not acceptable to the Village and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection of a successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection of a successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

## **16. Offeror's Additional Terms and Conditions**

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Village. Please see Section II.C.15 for requirements. Offeror's additional terms and conditions must be submitted with proposal on Tab E. See Section III.C.

## **17. Contract Deviations**

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Village and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

## **18. Offeror Qualifications**

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a responsive offer as defined in NMSA 1978, § 13-1-83 and 13-1-85.

## **19. Right to Waive Minor Irregularities**

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

## **20. Change in Consultant Representatives**

The Village reserves the right to require a change in Consultant representatives if the assigned representative(s) is (are) not, in the opinion of the Village, adequately meeting the needs of the Village.

## **21. Notice of Penalties**

The Procurement Code, NMSA 1978, § 13-1-28 through 13-1-199, imposes civil, misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

## **22. Village Rights**

The Village, in agreement with the Evaluation Committee, reserves the right to accept all or a portion of a potential Offeror's proposal.

## **23. Right to Publish**

Throughout the duration of this procurement process and contract term, Offerors and Consultants must secure from the Village written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or Village contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

## **24. Ownership of Proposals**

All documents submitted in response to the RFP shall become property of the Village.

## **25. Confidentiality**

Any confidential information provided to, or developed by, the Consultant in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the Consultant without the prior written approval of the Village.

The Consultant(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Village's written permission.

## **26. Electronic Mail Address Required**

The Consultant agrees to abide by all federal and state laws and rules and regulations, and executive orders of the Governor of the State of New Mexico, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Consultant assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Agreement. If Consultant is found not to be in compliance with these requirements during the life of this Agreement, Consultant agrees to take appropriate steps to correct these deficiencies.

The records shall be subject to inspection by the Procuring Agency, the Department of Finance and Administration and the State Auditor. The Procuring Agency shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the Procuring Agency to recover excessive or illegal payments

#### **16. Invalid Term or Condition.**

#### **17. Enforcement of Agreement.**

## **22. Equitable Remedies.**

Consultant acknowledges that its failure to comply with any provision of this Agreement will cause the Procuring Agency irrevocable harm and that a remedy at law for such a failure would be an inadequate remedy for the Procuring Agency, and the Consultant consents to the Procuring Agency's obtaining from a court of competent jurisdiction, specific performance, or injunction, or any other equitable relief in order to enforce such compliance.
