I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The Village of Ruidoso is requesting sealed qualification based proposals for **Professional Engineering Services for Sierra Blanca Regional Airport.**

The award shall be made to the responsible offeror whose proposal is most advantageous to the Village of Ruidoso (Village), taking into consideration the evaluation factors set forth in this RFP.

B. BACKGROUND INFORMATION

Airport Location

The Sierra Blanca Regional Airport (SBRA) is located off New Mexico State Highway 220 (locally known as Airport Road), approximately 15-miles northeast of the Village of Ruidoso and approximately seven-miles east of the community of Alto. SBRA is located within Lincoln County, New Mexico, in the south-central portion of the state. While Carrizozo is the County Seat of Lincoln, Ruidoso is the most populous town in the County.

Airport Description

The Sierra Blanca Regional Airport was constructed in its existing location in 1987. The Airport is owned and operated by the Village of Ruidoso. The Village of Ruidoso Council has ultimate responsibility for all airport policy considerations, as well as compliance with all current federal, state, and local regulations. SBRA is part of the National Plan of Integrated Airport Systems (NPIAS). It currently has no scheduled passenger airline services.

There are over 30 based aircraft, mostly single-engine, and the airport supports approximately 5,000 operations per year, more if surrounding military bases conduct high altitude training at the airport, which occurs typically in the winter/spring months. SBRA has 2 runways (12-30, 6309' x 75'; and 06-24, 8120' x 100') and 2 access taxiways, a precision instrument approach (ILS), an AWOS and various navigational aids including lighted windsocks and a rotating beacon. The Airport is presently uncontrolled, but a control tower does exist. Landside facilities include 119 aircraft tie down slots, 24 Sunshade hangars, 27 t-hangars in various sizes, and 16 privately owned hangars.

The aviation fuel storage at the airport includes one 20,000-gallon tank of Jet-A located approximately 1/4-mile northwest of the terminal building along New Mexico State Highway 220 (Airport Road). The tank has a remote pump station that is used to deposit fuel into a fuel truck for full-service Jet-A fueling. The fuel tanks are located 1/4 mile from the airport on NM HWY 220. The Jet A tank holds 20,000-gallons, the 100LL tank holds 16,000-gallons and an unleaded fuel tank holds 4,000 gallons of fuel for airport vehicles. The Village of Ruidoso owns all fuel tanks located at the airport.

The current general aviation terminal at SBRA is attached to a hangar located north of the parking apron close to Airport Road. The two-story building is owned by Village of Ruidoso and measures approximately 3,130 square feet.

Local Economy

Ruidoso is a resort community which attracts tourists and retirees from neighboring states, especially west Texas, with its mild climate and outdoor activities. The local economy is driven by tourism and real estate and is supported largely by the sales of second homes. SBRA serves as a destination airport for these visitors.

In addition to outdoor adventure vacationing, tourists frequent the inn of the Mountain Gods resort and casino, located on the Mescalero Apache Reservation approximately 15 miles southwest of SBRA, and the Ruidoso Downs horse racing track, located approximately 10 miles southwest of SBRA in Ruidoso Downs, New Mexico. Airport Management estimates that these two facilities represent the top two reasons for aircraft using SBRA.

C. SCOPE OF PROCUREMENT

The Village is conducting a single-award Professional Engineering Services for Sierra Blanca Regional Airport as outlined in Appendix B Detailed Scope of Work. It is anticipated that the award under this RFP will result in a Professional Services Contract for an initial term of one-year with the option to renew for up to three (3) additional one-year terms/length of project.

All tasks will be accomplished after issuance and approval of a specific task order and purchase order.

The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Village discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Professional Services Agreement or Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Village (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Professional Services Agreement or Contract (APPENDIX A) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific alternative language**. The Village may or may not accept the alternative language. Any response to the contract terms and conditions shall be submitted on Tab E. See Section III.C.

General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Professional Services Agreement or Contract are not acceptable to the Village and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection of a successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection of a successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Additional Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Village. Please see Section II.C.15 for requirements. Offeror's additional terms and conditions must be submitted with proposal on Tab E. See Section III.C.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Village and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a responsive offer as defined in NMSA 1978, § 13-1-83 and 13-1-85.

19. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

20. Change in Consultant Representatives

The Village reserves the right to require a change in Consultant representatives if the assigned representative(s) is (are) not, in the opinion of the Village, adequately meeting the needs of the Village.

21. Notice of Penalties

The Procurement Code, NMSA 1978, § 13-1-28 through 13-1-199, imposes civil, misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

22. Village Rights

The Village, in agreement with the Evaluation Committee, reserves the right to accept all or a portion of a potential Offeror's proposal.

23. Right to Publish

Throughout the duration of this procurement process and contract term, Offerors and Consultants must secure from the Village written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or Village contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

24. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the Village.

25. Confidentiality

Any confidential information provided to, or developed by, the Consultant in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the Consultant without the prior written approval of the Village.

The Consultant(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Village's written permission.

26. Electronic Mail Address Required

A large part of the communication regarding this procurement will be conducted by electronic mail (e-mail). Offeror must have a valid e-mail address to receive this correspondence. (See also Section II.B.5, Response to Written Questions).

27. Use of Electronic Versions of this RFP

This RFP is being made available by electronic means. In the event of conflict between a version of the RFP in the Offeror's possession and the version maintained by the Village, the Offeror acknowledges that the version maintained by the Village shall govern. Please refer to: <https://www.ruidoso-nm.gov/purchasing>.

28. New Mexico Employees Health Coverage

during the term of the contract, Offeror must agree to have in place, and agree to maintain for the term of the contract, health insurance for those employees if the expected annual value in the aggregate of any and all contracts between Consultant and Village exceed \$250,000 dollars.

- B. Offeror must agree to maintain a record of the number of employees who have (a) accepted health insurance; (b) decline health insurance due to other health insurance coverage already in place; or (c) decline health insurance for other reasons. These records are subject to review and audit by a representative of the state or Village.
- C. Offeror must agree to advise all employees of the availability of State publicly financed health care coverage programs by providing each employee with, as a minimum, the following web site link to additional information <https://www.bewellnm.com>.
- D. For Indefinite Quantity, Indefinite Delivery contracts (price agreements without specific limitations on quantity and providing for an indeterminate number of orders to be placed against it); these requirements shall apply the first day of the second month after the Offeror reports combined sales (from state and, if applicable, from local public bodies if from a state price agreement) of \$250,000.

29. Campaign Contribution Disclosure Form (Appendix E)

Offeror must complete, sign, and return the Campaign Contribution Disclosure Form, APPENDIX E, as a part of their proposal. This requirement applies regardless of whether a covered contribution was made or not made for the positions of Mayor and Village Councilors or other identified official. Failure to complete and return the signed unaltered form may result in the disqualification of Offeror's proposal.

30. Letter of Transmittal (Appendix D)

Offeror's proposal must be accompanied by the Letter of Transmittal Form located in APPENDIX D which must be completed and signed by an individual person authorized to obligate the company. The letter of transmittal MUST:

1. is presently debarred, suspended, proposed for debarment, or declared ineligible for award of contract by any federal entity, the State of New Mexico, or local public body;
 2. has within a three-year period preceding this offer, been convicted in a criminal matter or had a civil judgment rendered against them for:

The Consultant shall provide immediate written notice to the Village Procurement Manager or other party to this Agreement if, at any time during the term of this Agreement, the Consultant learns that the Consultant's disclosure was at any time erroneous or became erroneous by reason of changed circumstances.

- D. A disclosure that any of the items in this requirement exist will not necessarily result in termination of this Agreement. However, the disclosure will be considered in the determination of the Consultant's responsibility and ability to perform under this Agreement. Failure of the Consultant to furnish a disclosure or provide additional information as requested will render the Offeror nonresponsive.
- E. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of a Consultant is not required to exceed that which is the normally possessed by a prudent person in the ordinary course of business dealings.
- F. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts during the term of this Agreement. If it is later determined that the Consultant knowingly rendered an erroneous disclosure, in addition to other remedies available to the Governing Body, the Village Manager may terminate the involved contract for cause. Still further the Village Procurement Manager or the Village Finance Director may suspend or debar the Consultant from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the Village Procurement Manager or Village Finance Director.

APPENDIX E – CAMPAIGN CONTRIBUTION DISCLOSURE FORM

RFP #2024-002P

Professional Engineering Services for Sierra Blanca Regional Airport (SBRA)

Pursuant to NMSA 1978, § 13-1-191.1 (2006), any person seeking to enter into a contract with any state Village or local public body for professional services, a design and build project delivery system, or the design and installation of measures the primary purpose of which is to conserve natural resources must file this form with that state Village or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective Consultant must disclose whether they, a family member or a representative of the prospective Consultant has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the Consultant submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the Consultant signs the contract, if the aggregate total of contributions given by the prospective Consultant, a family member or a representative of the prospective Consultant to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

Furthermore, the state Village or local public body shall void an executed contract or cancel a solicitation or proposed award for a proposed contract if: 1) a prospective Consultant, a family member of the prospective Consultant, or a representative of the prospective Consultant gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective Consultant fails to submit a fully completed disclosure statement pursuant to the law.

THIS FORM MUST BE FILED BY ANY PROSPECTIVE CONSULTANT WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

“Applicable public official” means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective Consultant is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

“Campaign Contribution” means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to either statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

“Family member” means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law.

“Pendency of the procurement process” means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

“Person” means any corporation, partnership, individual, joint venture, association or any other private legal entity.

“Prospective Consultant” means a person who is subject to the competitive sealed proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person qualifies for a sole source or a small purchase contract.

“Representative of a prospective Consultant” means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective Consultant.
